Rich Media

Hello Everyone

This is a demo consisting of medias.

Some Code

```
docker-compose up -d
```

```
import os
import time

print("hello world")
if a=b:
  print(a)
elif b=c:
  try:
    print(c)
  except:
    print(c+a)
else:
  print("what is the meaning of life")
```

More sample media

Portainer is a software for managing docker containers.
